

Packer Athletics

Fall 2009

It was a great fall season in the world of Fremont Athletics. Congratulations to all the participants and all their fine accomplishments throughout the 2009 Fall athletic season. We also would like to thank all the coaches, parents, fans, students and community businesses for all your support to Fremont Athletics.

Below are a few highlights of some outstanding accomplishments that took place during the fall of 2009. We truly believe that hard work pays off and it is evident through these outstanding accomplishments. Being a student athlete takes a great deal of commitment, dedication, motivation, and perseverance.

Cross Country Boys

The boys cross country team continued their dominance in the Lakes 8 and the Region. We are proud to say that the boys cross country team won their 8th straight conference championship and 9th straight regional championship. Congrats to Coach Somers and his staff on continuing a tradition.

Cross Country Girls

The girls cross country team were on a mission to defend their Lakes 8 Championship from the 2008 campaign. A young squad continued to improve throughout the season and accomplished their goals of achieving personal record setting times by the end of the season. We battled tough in the conference and we would like to congratulate Spring Lake Girls Cross Country team on their Lakes 8 Championship.

Football

The Packer varsity football team made a return trip to the state playoffs in addition to having their best finish ever in the Lakes 8 with a second place finish behind the Lakers of Spring Lake. The Pack finished overall with a 7-3 record with a highlight of beating Orchard View for the first time in 19 years.

Soccer Boys

The boy's soccer team ended their season with a great run in the district finals. The soccer team lost in the district finals to Sparta. Yet, in this battle we demonstrated hustle and teamwork to give Sparta all they could handle. Coach Vissia and staff did an excellent job of preparing their student athletes for the district tournament.

Tennis Boys

A small tennis squad opened the door for some underclassmen to step up and fill the void. The Lakes 8 was very competitive this season from top to bottom in boy's tennis. Paul Blais led the way into the regional tournament where he qualified for the state meet.

Swimming/Diving Girls

We were fortunate enough to field one of our largest girls swim teams in recent years with participating numbers growing into the 40's. Many newcomers had the opportunity to enhance their swimming and diving skills throughout the season. Destiny Noordyke qualified for the state tournament in the 100 backstroke.

Volleyball

The volleyball squad defended their district championship from a year ago in great form this season. We made another great run to the district finals before falling short to a talented Whitehall squad. The girls battled tough throughout the entire season and was one of the top teams in the Lakes 8 this season behind the Trojans of Fruitport.

Below is a list of All Conference, All Area, and All State Athletes for the fall of 09

All Conference

| | | |
